

PRODUCT DETAILS

Resveratrol B E is a first-of-its kind night treatment that combines a maximized concentration of 1% pure, stable resveratrol, synergistically enhanced with 0.5% baicalin and 1% pure vitamin E (alpha tocopherol) for optimized anti-aging antioxidant performance. This patented antioxidant cocktail neutralizes free radicals, supports skin's natural antioxidant defenses, and reveals visible radiance and firmness.

- Neutralizes free radicals caused by environmental aggressors and supports skin's natural antioxidant defenses
- Diminishes visible signs of aging, improves the appearance of skin radiance, firmness, and density
- Paraben-, fragrance-, and dye-free
- Ideal for normal, dry, and combination skin types
