

PRODUCT DETAILS

Gentle Cleanser is a creamy, mild cleanser formulated with an emollient-rich surfactant and 3% concentration of key ingredients combining allantoin, glycerin, and orange oil to soften and restore skin's surface. This non-foaming, gentle skin cleanser efficiently removes impurities and long-wear face and eye makeup without any traces of residue. Skin is left feeling soft, moisturized, and primed for in-office treatments and at-home cosmeceutical use.

- Softens skin while cleansing and lifting surface debris
- Removes long-wear eye and face makeup
- Non-comedogenic formula ideal for daily use
- Paraben-, sulfate-, soap-, synthetic-fragrance-, dye- and alcohol-free
- Suitable for dry, normal, sensitive, reactive, or post-procedure skin
- Ideal complement to in-office treatment such as chemical peels, intense pulsed light, non-ablative laser, microdermabrasion, microneedling, and injectables
