

PRODUCT DETAILS

Daily Moisture is a lightweight face moisturizer for normal to oily skin that hydrates, nourishes, and helps reduce the appearance of pore size. Formulated with an exclusive combination of vitamin E, three nutrient-rich algae extracts, and a blend of seven botanical extracts to protect and leave skin soft without a greasy residue. It is an ideal moisturizer for oily skin.

- Restores and maintains moisture
- Formulated with botanical extracts to help reduce the appearance of pore size
- Protects skin from environmental damage
- Leaves skin with a smooth, non-greasy finish
- Ideal for normal to oily skin
